FINAL EDITION

Dann Hagstrom congratulates student award recipient at '08 Best of Sac High.

Best of Sac High

The 40 Acres Art Gallery is pleased to present its sixth annual “Best of Sac High” opening reception & awards ceremony on April 10th from 5-8pm. This year’s exhibit showcasing artwork from nearly 100 Sac High students has a strong focus in the digital media. In a climate of state cuts in education, we are fortunate to continue with a strong arts program at Sac High. Although there have been changes in the types of media taught, students are learning techniques, skills and expanding creativity to non-traditional avenues, such as digital photography and graphic technology. Students are seizing the opportunity to do more with their expertise by creating art using Photoshop, In Design, Illustrator and Web design software.

As always, we extend a special note of gratitude to our sponsors and contributors to the *Best of Sac High*, including sponsors Bank of America, St. HOPE, and the Sacramento Metropolitan Arts Commission. Additionally, project support was generously provided by University Art and Utrecht Art Supplies, who each contributed awards for our winning artists.

Congratulations to all the students that were accepted into the competition. We thank you for being a part of this continued partnership by doing your best artwork each year. To all of the students at Sac High, continue seeking opportunities to express your creativity.

Sac High Dragons named All-Metro League

The Sac High boys and girls basketball teams finished the season strong with an appearance in the Division III Nor Cal Playoffs. Despite a valiant effort, the girls were defeated by St. Mary’s of Stockton in the second round while the boys were just short of becoming Nor Cal Champions before their final loss to Sacred Heart Cathedral of San Francisco.

Both teams deserve a tremendous amount of credit for their outstanding seasons. The boys team finished 3rd with a 26-7 record and the girls finished 2nd with a record of 23-10 in the Sac Metro Conference Division III. The entire Sac High community is extremely proud of the teams including the seven players who were named to the Sacramento Bee All-League teams: Chase Tapey, Senior (1st team); Erika Barnes, Junior (1st team); Brittany Shine, Junior (1st team); Josiah Turner, Sophomore (2nd Team); Kyra Dunn, Junior (3rd team); Travon Abraham, Junior (Honorable mention); Katrina Salinas, Junior (Honorable mention)

Sr. Chase Tapey will play at San Diego State University next year.

Members of the H.O.T. Club pose for photo before presentation.

Science Team Receives Grant

During spring break, members of the Hands on Trees (H.O.T.) club presented to a panel of judges at the Secretary of State building for the Grants Advisory Board for Youth (GABY) resulting in a \$500 grant.

The entire club worked tirelessly for three weeks to write the formal grant proposal to support an environmental perspective advocating greening the Sac High community, that including the budget analysis and project timeline. They presented to a panel of approximately 100 people including the assistant to Lt. Governor John Gerimendi. They spoke eloquently and professionally as teacher lead Ms. Costanzo’s cried tears of pride. Congratulations to Ms. Costanzo and all of the members of the Sac High H.O.T. Club.

Dragon Camp

Kids ages 10-14 are welcome to attend Dragon Camp at Sac High on Saturday, April 18. The free camp allows potential Sac High students to spend time on campus and participate in camps built around the themes of the four small schools offered at Sac High (Arts; Business & Communications; Law & Public Service; Math, Engineering & Health Sciences).

The half-day event will feature between 8-12 camps including cheerleading, photography, News 10 commercial production, science exploration, Sac PD criminal justice and Sac Fire Dept. fire safety.

For more information or to register a student, please visit http://www.sachigh.org/upcoming_events.htm.

SPECIAL PERFORMANCES BY SAC HIGH ALUMNI

Dance 2009: Reflections

Come out to support this concert that will showcase works from past and present members of 34th Street Dance Company as well as guest artists. It is a testament to the dancers' will to preserve what has come to them and their commitment to continue the legacy. *Reflections* brings together individuals with a mission to build community through this powerful art of dance responding with purpose and growing artistically. With the strength of the current generation, *Reflections* will move forward adding to the richness of life, our liberties and our world.

Students Participate in Breast Cancer Walkathon

More than 100 Sac High students and faculty are preparing to participate in the East Sacramento Relay for Life to support Breast Cancer.

The 24-hour event sponsored by the American Cancer Society will take place on the track at Sac High at 9am on Saturday, April 26 and end with a closing ceremony at 9am Sunday, April 27th. Participants will work as a team to walk continuously for 24 hours throughout the night. For more information or to learn how you can support the cause through this event, please contact Nanci Fassio in the Sac High front office at (916) 277-6200.
